

Ranger Leaders,

I am very excited to participate in three National Training events this year either on staff or as a trainee!!!

Will you consider joining me? The WCO and the brand new NRMC are critical for every Ranger Leader, and the NCE will just be FUN! I have never been on a canoe expedition and this will be the last of its kind till the new National Adventure Camps are rolled out. Check your schedule and register today. Don't wait till the last minute we need to know you're coming!

World Class Outpost seminar is designed to expose the outpost leadership team to a successful set of practices, methods, strategies, and tools that will enable them to develop into a "World Class Outpost". The outpost leaders are encouraged to attend and complete this event together along with their Pastor or Children's Pastor

National Canoe Expedition is designed to give leaders specialized training on how to conduct canoe trips and to provide outstanding adventures in some of the most beautiful canoe country in America.

National Rangers Ministry Camp provides instruction in basic outdoor skills and activities providing leaders with the skills needed to take their Ranger boys on exciting outpost activities outside their normal weekly meeting times. Instruction in effectively implementing the team/patrol method will be offered as a means to facilitate junior leadership development. Also, leaders will be challenged to connect with God and explore spiritual manhood.
